

## PROGRAMME

*A joint conference*

*Université de Paris – Maudsley Simulation / NHS – King’s College London*

# ***“Mental health: an introduction to simulation-based pedagogy. From theory to practice”***

**24<sup>th</sup> September 2021**

*Online event - Free registration ([click here](#))*

*Audience: mental health teachers and students*

### **9:30-10:00 - Introduction**

Prof. Fabrice JOLLANT, president of the organisation committee, Université de Paris

Prof. Cécile BADOUAL, vice president innovative pedagogy, Université de Paris

Prof. Pierre VIDAILHET, secretary-general of the SOFRASIMS

### **10:00-13:00 - Plenary sessions (in English)**

10:00 - Maudsley Simulation: a pioneering centre for mental health simulation – Sean CROSS, Maudsley Simulation, London, UK

10:30 - Emotions in clinical education: the call for simulation – Gabriel REEDY, Master of Clinical Education Programme Director, King’s College London, UK

11:00 - Debriefing and Mental Health – Grégoire BILLON, Maudsley Simulation, London, UK

11:30 - The Evidence base for simulation in mental health education – Marie-Aude PIOT, Université de Paris, France & Chris ATTOE, Maudsley Simulation, London, UK

12:00 - Mental Health Simulation: setting the stage – Kiran VIRK, Gareth EVANS, James PATHAN, Maudsley Simulation, London, UK

12:30 - The example of a training program on the assessment of the suicidal risk for 1st year psychiatry residents – Fabrice JOLLANT, Université de Paris, France

### **13:00-14:00 - Lunch break**

### **14:00-17:00 - Workshops\***

14:00-16:30	<b>Debriefing</b>	<b>Simulated Patient</b>	<b>Digital Simulation</b>
	dir: Dr G. BILLON <i>(in French)</i>	dir: Dr. MA PIOT <i>(in French)</i>	A. BIGNELL, E. BAXEY <i>(in English)</i>

16:30-17:00 - Q&A and conclusion of the conference

*\*The workshops will take place one after the other*
