

Elevators

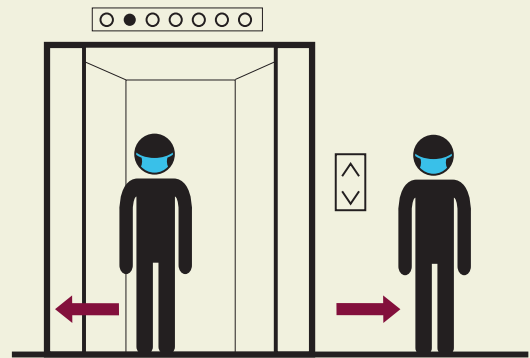

**Using the stairways
must be prioritized**

Press the elevator button.

Using keys, metal or pointed objects or protective gloves are not allowed when pressing elevator command buttons.

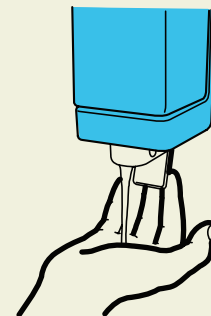

**Let the person already in the elevator
go down first.**

If the person does not exit, close the door and wait for the next time to go in.

Check the capacity limit before entering the elevator.

When leaving, clean your hands with hand sanitizer provided on the floor landings or with soap and water if there are restrooms located in the local vicinity.

**THIS ELEVATOR IS CLEANED 4
TIMES PER DAY**

(TWICE IN THE MORNING AND AFTERNOON)
