

LOGO DESIGN CONTEST

CREATE THE FUTURE

Say hello to Circle U! A European university alliance with a goal to empower more than 330,000 students and 50,000 staff to mobilize their knowledge into transformative actions for society. Circle U. will be a key contributor to solving global challenges by jointly producing and sharing knowledge. The students are at the heart of the alliance and have been involved since the beginning in the development of the Circle U. vision.

We have now created Circle U. Student Union. A common body for students from all the universities in the alliance, and which works continuously to represent the student voice!

We want the students to take part in the shaping of the union, and therefore we open up for a logo design contest.
