## Université de Paris

(Erasmus code : F PARIS007)

### GENERAL INFORMATION

#### Housing

CROUS student residences

**Université de Paris** only has a few rooms in several CROUS residences in Paris.

As a consequence, **we cannot guarantee housing for all students. We advise them to look on their own as well.** Accommodations are either on campus or off campus, near metro stations, with kitchenette, bathroom facilities and internet access.

For more information

<https://u-paris.fr/en/accomodation/>

Application

- 1- Students must tick the box on their Moveonline application form
- 2- Students must fill in the housing application form
- 3- Students must send their housing form with their application.
- 4- A commission will decide about the placement (end of May for the 1<sup>st</sup> semester/mid-November for the 2<sup>nd</sup> semester).

Online platform

Students can look for housing through our **Université de Paris** online platform. They will receive information about how to register with the application process.

#### Mentorship, student groups

Buddy Program

To help exchange students adapt to their new environment and life in Paris, **Université de Paris** offers a buddy program. Students from **Université de Paris** offer to help and assist Erasmus and international students during their mobility in cultural, administrative and sometimes academic aspects.

Students who are interested in this program must send an email to the international relations office. They will receive information about this program by e-mail in July for 1<sup>st</sup> semester and full-year students and in January for 2<sup>nd</sup> semester students.

A meeting will be organized between students from **Université de Paris** and exchange students at the beginning of each semester and during the semester to stay in touch.

For more information:

<https://u-paris.fr/en/get-involved/>

There is also plenty of student groups or associations on our website:

<https://u-paris.fr/en/student-associations/>

#### Visas

The university does not provide visa services. All matters regarding visa should be settled before coming on mobility with the French Consulate or Campus France Centre of your country.

Information on student visa:

<https://france-visas.gouv.fr/en/web/france-visas/accueil> (available in several languages)

#### Overview of living costs in Paris per month (€)

Rent (€): around €800/month for a room (in Paris)

Transport fares (€): around €75/month for Paris (zones 1-5 = unlimited in all the Parisian area)

**N.B.** A student discount pass can be purchased ("Imagin'R"). For more information, please check the website:

<http://www.iledefrance-mobilites.fr/en>

Food (€): €250/month

Cinema tickets (€): around €12 (possibility of student discounts)

Note that it is very difficult for exchange students to get a part-time job. But you can work as au pair.

It is important that students have enough funding to cover the expected cost of their stay in Paris, which should be at least €1000 per month (or equivalent in the student's currency) for the expected period of stay.
